

Autumn Term 2022

Week 23- Monday 19th September

Dear Parents,

Please note the dates of the Parents meetings for each year group. This will be your opportunity to find out what your child will be learning this year and the expectations of the home / school relationship and how together we can support your child's progress. You will be able to ask questions at the meetings.

We continue to ensure that **Reading** is a focus for all children. If your child is in Reception, Year 1, 2 or Year 3, please try to share a book or listen to them read every day. For children in Year 4, and 6, talk to your child about the book they are reading. Use ActiveLearn for reading and spelling activities. Ask your child's teacher if you have misplaced the logon details for your child's account.

This year we will continue to push great attendance and punctuality and work towards the Government target of 96%.

Ms Anderson - Head of School

Family-School Partnership Award

The Stonebridge School is taking part in a scheme being run in the London Boroughs Ealing, Harrow & Brent which will help us to think about how we work with families and support us to build stronger links between home and school.

The Family Partnership Model

The Family Partnership Model, developed in Ealing, aligns the different aspects of schools' work with parents and families under 5 key themes, with an overarching theme of monitoring and evaluation cutting across all areas:

Theme 1: Fostering effective family-school partnerships

Theme 2: Communicating and consulting effectively

Theme 3: Enabling parental engagement in learning

Theme 4: Empowering parents and carers to develop their own skills

Theme 5: Supporting successful transitions

The process supports schools to review their provision from the view point of stakeholder including teaching staff, support staff, governors and parents. We will be looking at lots of different areas including: the school environment; how we communicate and how we help you to support learning at home.

To help us make decisions about how we work in the future we need the views of as many parents as possible. Please help by taking part in the online survey. The short survey is anonymous and can be done online by following the following link or scanning the barcode: <https://www.surveymonkey.co.uk/r/StonebridgeParents2022>
