

Autumn Term 2022
Week 2 - Monday 12th September

Dear Parents,

Welcome back to those children in Year 1 – 6. Also welcome to our new parents of the children in Nursery and Reception.

It is so lovely to children back in school ready for learning. Please note the date of the Parents meetings for each year group. This will be your opportunity to find about your child's learning and the expectation of the part that home and school plays in your child's progress. You will be able to ask questions at the meetings.

This year we will continue to push great attendance and punctuality and work towards the Government target of 96%.

Ms Anderson - Head of School

The staff of The Stonebridge School wish to express their heartfelt condolences to the Royal Family, following news of the death of Her Majesty Queen Elizabeth II

For most of us, she is the only head of state we have ever known, and will be remembered as an inspirational figure for our country. In June, the children celebrated the Queen's Platinum Jubilee and have fond memories of dressing up in Red, White and Blue. During the remaining days of National mourning, school will be open as usual. The children will have access to support if they become upset in school during this difficult time.

Family-School Partnership Award

The Stonebridge School is taking part in a scheme being run in the London Boroughs Ealing, Harrow & Brent which will help us to think about how we work with families and support us to build stronger links between home and school.

The Family Partnership Model

The Family Partnership Model, developed in Ealing, aligns the different aspects of schools' work with parents and families under 5 key themes, with an overarching theme of monitoring and evaluation cutting across all areas:

Theme 1: Fostering effective family-school partnerships

Theme 2: Communicating and consulting effectively

Theme 3: Enabling parental engagement in learning

Theme 4: Empowering parents and carers to develop their own skills

Theme 5: Supporting successful transitions

The process supports schools to review their provision from the view point of stakeholder including teaching staff, support staff, governors and parents. We will be looking at lots of different areas including: the school environment; how we communicate and how we help you to support learning at home.

To help us make decisions about how we work in the future we need the views of as many parents as possible. Please help by taking part in the online survey. The short survey is anonymous and can be done online by following the following link or scanning the barcode: <https://www.surveymonkey.co.uk/r/StonebridgeParents2022>
