## Black History Month 2022

*"Time for Change: Action Not Words."*

The month of October is Black History Month in the UK. At Stonebridge School we will be celebrating the contribution that Black people have made to the UK – past and present. However, we do not confine Black History to one month, we ensure that diversity is taught throughout the year. The achievements of Black people are reflected across the curriculum - in the books children read, learning in geography, music and RE.
