

Autumn Term 2022

Week 4- Monday 26<sup>th</sup> September

Dear Parents,

Thank you to the parents that attended the Year 3 & 4 meeting last week. Please note that the Parents meetings continue this week for Years 1 & 2, Years 5 & 6 on Tuesday 27<sup>th</sup> (tomorrow) and for EYFS on Thursday 29<sup>th</sup>. This will be your opportunity to find out what your child will be learning this year and the expectations of the home / school relationship and how together we can support your child's progress. You will be able to ask questions at the meetings. Unfortunately, we are a long way from meeting our Attendance Target of 96%. Please make every effort to bring your child to school. The Stonebridge School is committed to UNCRC Article 28 - I have the right to an education. We can only teach your child if they are in school, on time.

Ms Anderson - Head of School

Last week, the children were fortunate to have a real life author visit our school. Mr Banji Alexander spoke to the children about his book - Lockdown Looms: Reggie's Birthday Party, which is about a child whose birthday was during Lockdown. He also told the children to dream and be ambitious.

A big Stonebridge THANK YOU!

The children enjoyed your visit and loved your book.

## Family-School Partnership Award

The Stonebridge School is taking part in a scheme being run in the London Boroughs Ealing, Harrow & Brent which will help us to think about how we work with families and support us to build stronger links between home and school.

### The Family Partnership Model

The Family Partnership Model, developed in Ealing, aligns the different aspects of schools' work with parents and families under 5 key themes, with an overarching theme of monitoring and evaluation cutting across all areas:

- Theme 1: Fostering effective family-school partnerships
- Theme 2: Communicating and consulting effectively
- Theme 3: Enabling parental engagement in learning
- Theme 4: Empowering parents and carers to develop their own skills
- Theme 5: Supporting successful transitions

The process supports schools to review their provision from the view point of stakeholder including teaching staff, support staff, governors and parents. We will be looking at lots of different areas including: the school environment; how we communicate and how we help you to support learning at home.

To help us make decisions about how we work in the future we need the views of as many parents as possible. Please help by taking part in the online survey. The short survey is anonymous and can be done online by following the following link or scanning the barcode: <https://www.surveymonkey.co.uk/r/StonebridgeParents2022>

It is very important that your child is in school **EVERYDAY** and **ON TIME**. Parents must have a valid reason for keeping a child at home.

## After School Club

Please ask at the office for more details. If you have any outstanding payments, please bring your account up to date by Friday.
